Subject: San Jacinto Document Review Log

Folks,

A table showing the San Jacinto documents being reviewed now, as well as the next few expected deliverables, is attached. For those who are still reviewing the documents, I would appreciate your comments as soon as possible. The schedule for the site, and remaining future deliverables, is being worked out now, so I expect to send everyone the updated schedule for the site when that is available, perhaps in several weeks.

Thanks,

Gary Miller, P.E. (inactive)
